Pungent smells, they consummate my home  
Beyond the black horizon, trying to take control  
See my girl, she shivers in her bones  
The sun and the zenith's rising, trying to take us all

There's a fire between us  
So where is your God?  
There's a fire between us

I can't get off the carousel  
I can't get off the carousel  
I can't get off the carousel  
I can't get off this world

The sickening taste, homophobic jokes  
Images of fascist votes  
Beam me up 'cos I can't breathe

Spaceman, I've always wanted you to go  
In to space, man  
Intergalactic Christ

Can't get off, can't get off  
Can't get off, can't get off  
Can't get off, can't get off  
Can't get off, can't get off

It's time to terminate the great wide world  
Morbid fascination, television takes control  
Decimation, different races fall  
Electronic information tampers with your soul

There's a fire between us  
So where is your God?  
There's a fire between us

I can't get off the carousel  
I can't get off the carousel  
I can't get off the carousel  
I can't get off this world

The sickening taste, homophobic jokes

Images of fascist votes  
Beam me up 'cos I can't breathe

Spaceman, I've always wanted you to go  
Into space, man  
Intergalactic Christ

Babylon Zoo, Babylon Zoo  
Babylon Zoo, Babylon Zoo  
Babylon Zoo, Babylon Zoo  
Babylon Zoo, Babylon Zoo

Spaceman, I always wanted you to go  
Into space, man  
Intergalactic Christ

Spaceman, I always wanted you to go  
Into space, man  
Intergalactic Christ

Spaceman, Spaceman  
Spaceman, Spaceman  
Spaceman, Spaceman
