How much is that doggie in the window?  
The one with the waggily tail  
How much is that doggie in the window?  
I do hope that doggie's for sale

I must take a trip to California  
And leave my poor sweetheart alone  
If she had a dog, she won't be lonesome  
And the doggie would have a good home

How much is that doggie in the window?  
The one with the waggily tail  
How much is that doggie in the window?  
I do hope that doggie's for sale

I read in the papers there are robbers  
With flashlights that shine in the dark  
My love needs a doggie to protect her  
And to scare them away with one bark

I don't want a bunny or a kitty  
I don't want a parrot that talks  
I don't want a bowl of little fishies  
He can't take a goldfish for a walks

Oh! How much is that doggie in the window?  
The one with the waggily tail  
How much is that doggie in the window?  
I do hope that doggie's for sale  
(Ruff, ruff)
