Well hello and Guenos Dios folks, my name is Salvador
I'm calling from down under just to wish the world
Bonjour
I'm a dinky die Australian with a dinkum Aussie tan
But it's really quite amazing, all the other things I am

I'm as Greek as a Souvlaki, I'm as Irish as a stew
I'm Italian as spaghetti, I'm as Danish as a blue
I'm as Turkish as a coffee, I'm as Pom as strawberry
Jam
And I'm an Aussie, yes I'm an Aussie, yes I am
Oh I'm an Aussie, yes I'm an Aussie, yes I am

Oh I've been to Neocropolis and seen the South of
France
I've walked around the pyramids and done a Cosack
dance
I've sailed a dozen seas and seen Vienna from a tram
But I live down in Australia and I'm proud of what I am

I'm as Greek as a Souvlaki, I'm as Irish as a stew
I'm Italian as spaghetti, I'm as Danish as a blue
I'm as German as a dumpling, Middle Eastern as a
lamb
And I'm an Aussie, yes I'm an Aussie, yes I am
Oh I'm an Aussie, yes I'm an Aussie, yes I am

We've come from every corner of the world to build this
land
And I know that we can make it if we lend a helping
hand
We'll live and love and learn together every single day
'Til every young Australian can be really proud to say

I'm as Greek as a Souvlaki, I'm as Irish as a stew
I'm Italian as spaghetti, I'm as Danish as a blue
I'm as Dutch as any Gouda, as Yanki as a ham
And I'm an Aussie, yes I'm an Aussie, yes I am
Oh I'm an Aussie, yes I'm an Aussie, yes I am

Oh, I'm as Greek as a Souvlaki, I'm as Swiss as cheese

with holes
I'm as Yugoslav as Rocky, I'm as French as crusty rolls
I'm as Asian as a noodle, As Pacific as a clam
And
