A smile costs nothing but gives so much
It enriches those who receive it
Without making poorer, those who give
It takes but a moment to smile
But the memory of it sometimes lasts forever
None is so rich or mighty that he can get along without
a smile
But none is so poor but that he can be made rich by it
A smile creates happiness in the home
Fosters good will in business
And is the countersign of friendship
That's a smile

Light up your face with gladness
Hide every trace of sadness
Although a tear may be e'er so near
That's the time you must keep on trying
Smile, what's the use of crying
You'll find that life is still worthwhile
If you - just - smile

A smile brings rest to the weary
Cheer to the discouraged
Sunshine to the sad
And it's nature's best antidote for trouble
A smile can't be bought, begged, borrowed or stolen
For it is something that is of no value to anyone
Until it is given away
You know, some people are just too tired to give you a
smile
So why not give them one of yours
As none needs a smile so much
As he who has no more smiles to give
Come on, smile

If you'll - just - smile...
