The more I see you, the more I want you
Somehow this feeling just grows and grows
With every sigh I become more mad abou-out you
More lost without you and so it goes

Can you imagine how much I love you
The more I see you as years go by
I know the only one for me can only be you
My arms won't free you and my heart won't try

I know the only one for me can only be you
My arms they won't free you and my heart won't try

The more that I see you, the more that I want you
And somehow this feeling just grows and it grows and
it grows
With every sigh I become more mad abou-out you
More lost withou-out you and so it goes

Can you imagine how much that I love you
The more that I see you as years go by
I know the only one for me can only be you
My arms they won't free you and my hear-eart won't try
Oh no, my arms they won't free you and my hear-eart
won't try
