Ready for the night to sweep me all away

Ready for the streets to lead my feet astray

To my surpriseâ€¦ everything is cool â€¦ whenâ€¦

I'm not breathing

I hold my breath, I feel alive

Not breathing

All my pain is put asideâ€¦ not breathing

Ready for a breeze to blow right through my mind

Ready for a change to leave it all behind

To my surpriseâ€¦ everything is fineâ€¦ whenâ€¦

I'm not breathing

I hold my breath, I feel alive

Not breathing

All my pain is put asideâ€¦ not breathing

Ready for the sun to crash above my head

Ready for the moon to strike this body dead

To my surpriseâ€¦ everything is stillâ€¦ whenâ€¦

I'm not breathing

I hold my breath, I feel alive

Not breathing

All my pain is put asideâ€¦ not breathing

I'm not breathing
