Here she comes with a master plan

And I'm starting to loose control

Here she comes to this trash of man

And I'm ready to taste it all... when

She's bringing me in

Checking me out

Making me Glorious

Here she comes like a brand new day

Belly dancing across the room

In the moonlight I watch her sway

To her rhythm I'll go as groom... with grace... tonight...

She's bringing me in

Checking me out

Making me Glorious

Well

Here she comes

She's bringing me in

Checking me out

Making me Glorious

She's bringing me in

Turning me on

Making me Glorious
