Purple morning indicates  
the sun is breakin' thru  
You're sleeping, I'm watching  
watching all your moves  
Purple morning clarifies  
the rain has gone away  
Tomorrow  
Tomorrow is today-today  
and everything is beautiful  
Today  
Purple morning  
twenty precious minutes  
of this time  
leaves are fallin', soon  
seasons turn aroundâ€¦  
Early morning  
we can stay awake or go to sleep  
This is our world  
this is where we are today-today  
and everything is beautiful  
everything today-today

everything so colourful, today  
and the dream shines on  
as the sun keeps comin' our way  
This way  
Purple morning indicates  
the sun is breakin' thru  
you're sleepin'  
I'm watching  
watching all your moves
