Home, it's good to be back home

If only just for half a day,

if only just for now

Time, we're moving out of time

If only we could stay away,

if only we could stayâ€¦

Safe, someday my love we will be safe

Somewhere above we will be

Safe from harm.. Safe from harm

Clouds, hanging down below

If only we could stay long time,

if only we could stayâ€¦

Safe, somewhere above we will be safe

Someday my love we will be

Safe from harm

Safe, safe like a dream when it's

safe

Safe like a child when it'sâ€¦

Safe from harm

Now youâ€¦

You lead me through your doorâ€¦

But will you be around for me
when I come back for moreâ€¦
Safe, somewhere above we will be safe
Someday my love will be Safe from harm
Safe,
safe I could dream we will be safe
Safe like a child when it'sâ€¦
Safe from harm
