--

Three little birds sat on my window
And they told me I don't need to worry
Summer came like cinnamon
So sweet
Little girls double-dutch on the concrete

Maybe sometimes
We got it wrong, but it's alright
The more things seem to change
The more they stay the same
Don't you hesitate

Girl, put your records on
Tell me your favorite song
You go ahead, let your hair down

Sapphire and faded jeans
I hope you get your dream
You go ahead, let your hair down

You're gonna find yourself somewhere
Somehow
