--

You can't manufacture a miracle  
The silence was pitiful, that day  
You're love is getting too cynical  
The passion's just physical, these days

If you can't wake up in the morning  
'Cause your bed lies vacant at night  
If you're lost, hurt, tired or lonely  
Can't control it, try as you might

May you find that love that won't leave you  
May you find it by the end of the day  
You won't be lost, hurt, tired or lonely  
Something beautiful is come your way
