--

I haven't slept at all in days
It's been so long since we have talked
And I have been here many times
I just don't know what I'm doing wrong

What can I do to make you love me?
What can I do to make you care?
What can I say to make you feel this?
What can I do to get you there?

No more crying
No more
Aching

I sad no more fighting
No more
Trying

Maybe there's nothing more to say
And in a funny way I'm calm
Because the power is not
Mine
I'm just gonna let it fly

What can I do to make you love me?
And what can I do to make you care?
What can I say to make you feel this?
What can I do to get you there?
