--

You took my hand
You showed me how
You promised me you'd be around
Ah, huh
That's right

I took your words
And I believed
In everything you said to me
Yeah, huh
That's right

But if someone said three years from now
You'd be long gone
I'd stand up and punch them out
'Cause they're all wrong and

That last kiss I'll cherish
Until we meet again
But time makes it harder
I wish I could remember
But I keep your memory
You visit me in my sleep

My darlin'
Who knew?
