A billion people died on the news tonight

But not so many cried at the terrible sight

Well mamma said

It's just make believe

You can't believe everything ya see

So baby close your eyes to the lullabies

On the news tonight

Who's the one to decide that it would be alright

To put the music behind the news tonight

Well mamma said

You can't believe everything ya hear

The diageitic world is so unclear so baby close ya ears

On the news tonight

On the news tonight...

The unobtrusive tones, on the news tonight

And mamma said, mmmmmmm

Why don't the news casters cry when they read about
people who die?

At least they could be decent enough to put just a tear
in their eyes

Momma said

it's just make believe

Ya can't believe everything ya see

So baby close your eyes to the lullabies

On the news tonight
