Forgive me for all you've done

If I led your eyes to see
If I fed you mind with sickened thoughts
Would you consciously concieve
Everything that I have offerd you?

Shame
Stronger than
Pride
Stronger than
Hate
Stronger than
Life

If I lied to you would you still believe?
Mend your soul from my little fucking game

Have I made your life a mess?
Is your soul perverted just like mine?
Inconvenience by distress
Let it go, there's nowhere left to hide

Shame
Stronger than
Pride
Stronger than
Hate
Stronger than
Life

If I lied to you would you still believe?
Mend your soul from my little fucking game

If I lied to you would you still believe?
Mend your soul from my little fucking game

If I lied to you would you still believe?
Mend your soul from my little fucking game
(Stronger than life)
