Icy cris, tellin' me to leave, leave wit you and your

#### [Chorus]

I wanna know if you wanna ride (wanna ride)  
Wanna go and take a ride with me (oh)  
I know a place where we can chill them (oh)  
And don't worry I got plenty money  
Oh, oh, oh, hey..

#### [Verse 1]

We in the club on a late night, we feelin' right (oh)  
Lookin' for lil shorties that's gon' do me right (hey)  
And they can be 21 or 20 years old (oh)  
Long as they got ID, man I don't need no troubles (hey  
oh)  
Than I peep two walking over nice and real slow (here  
they go)  
They said they liked the way I looked in my last video  
(oh)  
Is there somewhere Nelly, all three of us could go (oh)  
I thought about it for a minute then I said  
Hmm...(hell yea)

#### [Chorus]

I wanna know if you wanna ride (wanna ride)  
Wanna go and take a ride with me (oh)  
I know a place where we can chill them (oh)  
And don't worry I got plenty money  
Hey, hey...hey

[Verse 2]

We still shoppin' nightly, frontin' like me and my boys  
E'ery other mall, I'm pullin' out another toy (hey oh)  
My pockets deeper than they've ever, ever been before  
I'm not just braggin', I'm just sayin' I ain't gotta think  
about that shit no more  
All of a sudden, I'm the man wherever I go (oh)  
Screamin' fans got to stands now at my shows (oh)  
Heard there's a party and the niggas at 'The Palm' try  
to figure out should I go (oh)  
Thought about it for a minute then I said  
Hmm...(hell yea)

[Chorus]

I wanna know if you wanna ride (wanna ride)  
Wanna go and take a ride with me (oh)  
I know a place where we can chill them (oh)  
And don't worry I got plenty money  
Hey, hey...hey  
I wanna know if you wanna ride (wanna ride)  
Wanna go and take a ride with me (oh)  
I know a place where we can chill them (oh)  
And don't worry I got plenty money  
Oh, oh, oh...yea, oh

[Verse 3]

I know somethin', somethin' you don't know (you don't  
know)  
I know somethin', somethin' I got to tell ya (I got to tell  
ya)  
I know somethin', somethin' doubted my flow (doubted  
my flow)  
I know somethin', somethin' called me a failure (hey)  
I know somethin', somethin' you don't know (you don't  
know)  
I know somethin', somethin' I got to tell ya (hey)  
I know somethin', somethin' doubted my flow (doubted  
my flow)  
I know somethin', somethin' called me a failure (oh, oh,  
oh, oh)

[Chorus]

I wanna know if you wanna ride (wanna ride)  
Wanna go and take a ride with me (oh)  
I know a place where we can chill them (oh)  
And don't worry I got plenty money  
Oh, oh, oh...again  
Oh, oh, oh...I said  
And don't worry I got plenty money  
Oh, oh, oh...must be the money  
Oh, oh, oh...I said

And don't worry I got plenty money  
Hey..

[Outro]

Free City (oh, oh)  
Shout out to my nigga John Mayer  
Holdin' it down dirty  
John Meyer, John Mayer  
You know we pronounce it different in the hood  
But dirty, you still be rockin'
