Have you seen the magazine  
Where all the rich, the kings and queens,  
Presidents of politics  
And emperors of oh so clean.

Oh so clean.....oh so clean  
Oh so clean.....oh so clean

Song for money. Song for money.  
Song for money. Song for money.  
Song for money. Song for money.  
Song for money. Song for money.

The system loves the richest boy,  
The richest sheiks of Arabie.  
The system loves the richest girl.  
A modern mind is climbing free.  
The walls are clean, the body dry,  
no memory can confuse her why  
Because if I'm not there this way,  
our crazyiness is here to stay

Money, money, money, money, money - MONEY!  
Money, money, money, money, money - MONEY!

Money, money, money, money, money, money, money,  
money  
Money, money, money, money, money, money, money,  
money

Have you seen the shouts us down,  
we overroll Manhattan town, we  
Hold the uncle by the family,  
fakers countin' Tokyo 'round me

Money, money, money, money, money - MONEY!

Song for money. Song for money.  
Song for money. Song for money.  
Song for money. Song for money.  
Song for money. Song for money.

The system loves the richest boy,  
The richest girl is in the world.  
They'll buy her life for everything  
Her food, her clothes, her car, her dream  
Freedom can't invest itself,  
It's all a game for someone else.  
One thing sure, it's real you see  
When you got conspiracy.

Money grubs,  
Money greeds,  
Money chops,  
Money speeds,  
Money breaks,  
Money burns.

Wait a minute! Wait a minute!

It's only money.  
It's only money.  
It's only money.  
It's only money.
