Don't even like to think about it  
I don't know what I'd do without it  
I only know I live and I breathe for your love

And baby you came to me, in my time of need  
When I needed you, you were there for me  
And baby the love from you  
Is what got me through

It's because of you, I was able to  
Give my heart again, you gave me

1-Someone to love, oh someone to touch  
Someone to hold, someone to know, ooh

I thought I'd never love again  
I thought my life was over and  
I didn't want to face or even see another day

Suddenly from nowhere, baby you appeared  
You dried my tears, you cared for me  
Baby, the love from you, truly got me through

It's because of you, I was able to  
Fall in love again, you gave me  
(rpt 1)

So long in my life, I wouldn't let love inside  
But I swallowed my pride, the day you arrived

And now it's you by my side  
Everything is all right  
It's because of you, I was able to  
Give my heart again

And you gave me someone to love  
You gave me someone to love...

Oh Someone...  
Cause you are someone to know
