He says he's never been one for drawn out goodbyes
He's had a lot of fun, gotta run
Ain't it funny how the time fly-ys
But you can't make a good time last forever, can ya
He knows how she feels
She knows how he feels
Ooh-ooh-ooh-ooh

Hoo-hoo-hoo
She's got a stra-ange far away look in her eyes
In a crazy little lake way-ay down deep insi-i-ide
But she's too slow to let it last for lo-ong
She says, there ain't nothin' wrong
There ain't nothin' wrong baby
No-oh-oh-oh

And the jokers and quee-eens dreamin' high dreams
It's just another lie for jokers and quee-eens
Dreamin' high drea-eams
Don't know what love mea-eans
It's just another lie for jokers and quee-eens

You know he thinks she'd laugh
If he told her what he wants
So he won't take a chance
He keeps on actin' non-chalant
And he's just too afraid to hurtin, hurtin'
She looks far to coo-oo-ool
He ain't nobody's foo-oo-ool
Nobody's foo-oo-oo-ool, no-o

Jokers and quee-eens, dreamin' high dreams
It's just another lie for jokers and quee-eens
Dreamin' high drea-eams
They don't know what love mea-eans
It's just another lie for jokers and quee-ee-ee-eens

Oh-oh-woh-oh-oh
They're jokers and quee-eens
Dreamin' high dreams
It's just another lie for jokers and quee-ee-eens

'Cause jokers and quee-eens
Don't know what love mea-eans
It's just another lie-ie for jokers and quee-eens
They play out their ha-and
But they don't make a sta-a-and
It's just another lie for jokers and quee-eens
They think life's alright but they lie alone at night
It's just another lie-ie for jokers and queens...
