"You've Lost That Lovin' Feeling"

Visit "[You've Lost That Lovin' Feeling](#)" on MotoLyrics.com

Ooh, you never close your eye-eyes anymore, when I
kiss your li-ips
And there's no tenderness, like before, in your
fingertips, no more-ore, no more-ore
You're tryin' hard not to show it, baby-y, baby, baby-y,
baby I know i-it

You've lost that lovin' fee-eelin', oh-oh that lovin' feeli-
in'
You've lost that lovin' feelin', now it's gone, go-one,
gone
Woh-oh-woh-oh-woh-oh

And there's no welcome look in your eyes when I reach
out for you-ou, ou-ou
When you start to criticise, oh, just about everything I
do-oo
Ah someti-imes, someti-imes
It makes me just feel like cryin', so baby, baby, baby-y
Something beautiful's dyi-ing

You've lost that lovin' fee-eelin', oh-oh that lovin' feeli-i-
i-in'
You've lost that lovin' feelin', now it's gone, go-one,
gone
So, woh-oh-woh-oh-woh-oh - well baby, I gotta go, gotta
say bye
Gotta do it to you baby, I gotta go, gotta say bye-bye
Gotta go, gotta go, gotta go now baby

Well I said, baby, baby, well I'd get down on my knees
for you-ou
If you wanted me to-oo-oo, oo-oo-oo
If you would only love me like you used to do-oo, do-
oo-oo, do-oo-oo-oo, do-oo-oo
Don't you, We had a love, a love, a love you don't find
everyday-ay-ay
No-oh-oh, no way baby, no way
So do-on't, don't, do-o-on't, do-o-on't, do-o-on't, baby
don't through it away
Oh I wouldn't throw it, I'm singin' to ya now

Baby-y, baby, baby-y, baby
I'm beggin' you plea-ease (oh I'm beggin' you plea-
ease), I'm beggin' you please
I'm gettin down on my knees
So baby don't throw-ow it, so baby don't throw-ow it
Oh bring it on back, oh bring it on back, oh ring it on ba-
ack
Just bring it on, just bring it on back

Bring back that lovin' fee-eelin', oh-oh that lovin' fee-
eeli-i-in'
Bring back that lovin' feelin', now its gone, gone, gone,
baby woh-oh-woh-oh-woh-oh
Oh bring it back baby

Bring back that lovin' fee-eelin', woh-oh, that lovin' fee-
eelin'
Bring back that lovin' feelin', now it's gone, gone, gone
And I can't go-o on, 'cause it's gone, go-one, gone,
moving, moving
Woh-oh-woh-oh-woh-oh-oh-oh [fade]
