When you walked into the party I didn't know what to
expect
The usual games, the usual dames, the usual soft
intellect
You better stand up to learn my life has been one long
regret
But ahh, you got me babe, I'm yours

Well you might of played it cool and maybe in a little
whi-ile
You might of displayed a lot less haste and a lot more
style
But you just kinda machine-gunned me with your
flashin' smile
And ahh, you got me babe, I'm yours

Well, you could of slowed it down and played a waiting
game
But I might of hung around for someone else to call my
name
Since you gave me the wink I've been like a pot around
a flame
And ahh, you got me babe, I'm yours

Well I never ever thought I'd end up with someone like
you
But then again when I was twenty-one
I never thought I'd see twenty-two
It just goes to show uou don't know what's instore-ore
for you
But ahh, you got me babe, I'm yours

Oh, oh, oh-ooh-oh-oh
You got me babe, I'm yours

Why can't we just dance all night just so, come and tell
me why
Why can't we just sail off forever across some starry
sky
The reason I live now is that someday I'm gonna die
'Til then, you got me babe, I'm yours

Don't know why I never found ya, I was searchin' hard
enough
But when I was in the fairway baby
You must have been hidin' in the rough
And now we're in the open and I just can't get enough
Ahh, you got me babe, I'm yours

Oh, oh, oh-oooh-oh-oh
You got me babe, I'm yours
