Doctor, doctor, you gotta help me, yeah, you gotta
make it right for me

It seems this other man's name's been following me
around

And it just won't let me be

You see, I got this name and he's got this name too,
you know

Oh they're kinda close, though only a blind crazy fool
would think

I was him, it's like sayin' green is blue

But let me tell you brother, I'll stop it being a bother

When I've made the cover of Time magazine

I was at this party in the well heared hills, just the other
night

Her name was Shelley, I introduced myself, she just
smiled and said 'alright'

Well we got talking and drinking wine and she

Said she liked my music, thought it was fine

She said "let's make love, your place or mine"

And in the middle of the passion, I was on the
borderline

When she called out a name, but it wasn't mine

She called me Bruce (Bruce), Bruce (Bruce)

I can hear her calling Bruce (Bruce), Bruce (Bruce)

I can hear her calling Bruce (Bruce), Bruce (Bruce)

I can hear her - my name is Rick, I'm gonna stick it to
you babe

There's this kid walkin', carryin' a guitar, you know, I
told him that I play

He asked me my name, you know I told him, I said it
clean, as clear as day

Well he seemed really, clearly, sincerely impressed

And as he pulled a piece of paper from innerside of
from his vest

He said, "I thought born to run was one of your best"

Ah wait a minute man, who do you think I am?

He answered, "mr. Springsteen, you're a finest man"

He called me Bruce (Bruce), Bruce (Bruce)

I can hear him calling Bruce (Bruce), Bruce (Bruce) -
ooh

He called me Bruce (Bruce), Bruce (Bruce)

I can hear him - my name is Richard, gonna hit ya till
you die

(Solo)

You know my mama called me long distance yesterday

And as she got off the phone, I swear I heard her say

Bye bye Bruce (Bruce), Bruce (Bruce)

I can hear her calling Bruce (Bruce), Bruce (Bruce) -
ooh

She called me Bruce (Bruce), Bruce (Bruce)

I can hear her - my name is Ricky, gonna stiff it to you
babe

Oh, she called me Bruce (Bruce) - what?

She called me Bruce (Bruce) (repeats out)
