She was sensational, you know the type, and she was  
young, but she was ripe

And she was vicious, and she taught to bite

Baby don't wanna feel this pain anymore, I kinda miss  
it

Pretty true, emergency, I wanna hear it on the radio  
tonight

Chorus:

Calling all girls - if you're looking for love

Calling all girls - if you're looking for a hot time

Calling all girls - if you're looking for fun

Calling all girls - if you're looking for a good time  
tonight

Send all the good girls all home 'n' to bed

We're gonna party to raise the dead

I'm gonna love that girl right out of my head

Baby don't wanna feel this pain anymore, I kinda miss  
it

Pretty true, emergency, I wanna see it on the video  
tonight

chorus

(Solo)

Calling all girls (repeats 6x)

Baby don't wanna feel this pain anymore, I kinda miss

it

Pretty true, emergency, I wanna hear it on the radio  
tonight

chorus repeats out
