"Celebrate Youth"

by Rick Springfield

from TAO (c) 1985

RCA records

I can see hte older man

looking at the the younger man

I can see the younger man

looking at the boy

other there the older woman

is looking at the younger woman

I can see the younger woman

looking at the girl

Chorus: 'cause every man sees

in the younger man the hope

every woman sees

in the younger girl the dream

everybody lives

the pride and passion of the young

from the womb to the tomb

we will remeber what it means

so celebrate youth (celebrate)

those who have it (young ones)
celebrate youth (celebrate)
give them sight
the future of the world's in the (celebrate)
hands of the children (young ones)
so celebrate youth (celebrate)
teach them right
look in a child's eye
there's no hate and there's no lie
there's no black and there's no white
I can see the older man
and sometimes in the older man
i still see the young boy
burning in his eye
and locked up here inside out spirit
is the child that we are hear it
some of us will always fear it
and some will heed the cry

Chorus
