performed by Rick Springfield)

I know just what you're doing, you don't want to put the
hurt on someone
You've been trying to convince yourself
You're better off if you just turn and run
But I'm gonna hold on tight, I've got a feeling you'll
only happen once to me
And no one, not even you, is ever gonna make you
wrong for me

Chorus:

Don't walk away, or are you looking for a price to pay, is
that your master plan
Don't walk away, I'll do everything to make you stay,
I've got to make a stand
Don't walk away, I'm not afraid, don't walk away

I don't know where you're going, but I know what you
got on your mind
And I think your fear is showing, you don't leave things
like fear behind
And I hate to be the one to break it to you that we're
only human after all
I can mend a broken wing, I'll give you everything I
have

chorus

(Solo)

You used to be the one who used to be so strong
What happened to your rationale
Your heart is on the line, it happens all the time

Don't walk away, don't walk away

chorus repeats 2x

Don't walk away!
