Well who'd've believed this season's connaisseur lady-  
killer like me  
Would get hurt by a girl like you  
And they got names for dirty little girls like you, honey  
It ain't nice, though, but they call you everybody's girl

And they say - here she comes, here she comes, here  
she comes, here she comes  
And they say - here she comes, here she comes, here  
she comes, here she comes  
There goes

Chorus:  
Everybody's girl, everybody's girl, everybody's girl,  
everybody's girl

You might say I was blind for a while, I fell asleep at the  
drive-in neon  
You sure woke me up in a hurry, honey  
And I can't blame anyone but me, I know  
For it's my fault for falling for everybody's girl

And they say - he's the one, he's the one, he's the one,  
he's the one  
And they say - he's the one, he's the one, he's the one,  
he's the one  
Who got screwed by

chorus

You got no apparent sensitivity, you cut deep with self-  
destructivity  
Your mind's made up, you're headin' for the tide  
When you shake and your heart breaks, it's gonna  
come

(Solo)

chorus

Everybody's girl - you know your time's gonna come

Everybody's girl - you can't do this forever  
Everybody's girl - go and turn that other cheek  
Everybody's girl - you're gonna get her
