This is the 'lectric  
Lounge  
No one's afraid to laugh  
So c'mon, man,  
Let me break your back  
Talk 'bout the Metalin  
And what's on tap,  
What else you come here  
for  
What else could this be  
about?  
For me it's just  
Waiting for the kid to come  
out  
Waiting for the kid to come  
out  
And I'm finding out what this  
is about, yeah  
Waiting for the kid to come  
out  
Let it be  
Seventeen years  
And the tradition, your dash  
lost track  
Everything comes back out (but you  
can't hold back)  
And this is like being alive (but  
Falls right out of your mouth, yeah  
(but you can't hold back)  
Here at the 'lectric  
Lounge  
(outside between the  
bands)  
No one's afraid to laugh  
And you get just what you come  
to expect  
You can stick a lot up your ass  
cause for me it's just  
Waiting for the kid to come  
out  
Waiting for the kid to come

out  
And I'm finding out what this  
is about  
And I'm waiting for the kid to  
come out  
Let it be
