Where are you runnin' my love, through the back
streets of the city

You're keeping an eye on the horizon, looking over
your shoulder

Must be some demon drivin' you

I must have looked like a prime one

Running after you, thinking we still could survive

But nobody I've ever loved, ever hurt me like you did,
that lack of feeling

Chorus:

I've got a hole in my heart, you know that I've got a hole
in my heart

But I won't beg, no baby, I won't beg anymore

You're nothing but a taker, a real heartbreaker

Who ever hurt you so long ago, baby

He must have been a master, you learned it there

chorus

(Solo)

Nobody I've ever loved, ever hurt me like you did, with
that lack of feeling

chorus

I've got a hole in my heart, I've got a hole in my heart

I've got a hole in my heart
