"Human Touch"

Everybody's talking to computers, they're all dancing
to a drum machine

I know I'm living on the outside, scared of getting
caught between

I'm so cool and calculated alone in the modern world,
uh huh

But Sally has a hard time holding back

The alley to her heart is a beaten track

She's got the love monkey ridin' on her back

You want love I got it, come on girl

Chorus:

We all need the human touch, we all need the human
touch

I need it the human touch, we all need the human touch

We all need it, and I need it too!

You know I got my walls, Sally calls 'em prison cells

Sometimes I need protection, I got the chains, I got the
warning bells

I sit so snug and isolated alone in the modern world, uh
huh

But Sally has a hard time holdin' back

The alley to her heart is a beaten track

She's never out of love, yeah she's got the lack

You got love I want it, come on girl

chorus

Human touch (repeats 4x)

(Solo)

I'm so scared and isolated in the modern world - we all
need

We all need the human touch, we all need the human
touch

We all need the human touch, I need it, the human
touch

We all need the human touch, I need it, the human
touch

We all need it and I need it too! Human touch - ow!

Human touch (repeats 4x)
