Well, you admit you like the game, but you're not
gonna play

You just ignore what your body is trying to say

I got the feeling that you're playing and we're both
gonna win

And I think this angel's about to sing

Chorus:

I get excited, just thinkin' what you may be like

I get excited, there's heaven in your eyes tonight

The fire's ignited, down below it's burning bright

Oh baby, stay, we got all night, all night

Baby please, I can please you, I'm on my knees tonight

No baby, you don't look that nervous when you bite
your lip

You keep 'em open when we kiss, you're a hypocrite

You got my body dancing tangos 'n' three, four times

This angel's gonna spread her wings tonight

chorus

Oh baby, stay, we got all night, all night, we got all
night, all night

Baby please, I can please you, I'm on my knees tonight,
tonight, tonight

(Solo)

Baby, I can feel your heart beat, can't you feel the heat

Baby's got the cold feet fire below, oh baby, stay, we
got

Oh baby, stay, we got all night, all night, we got all
night, all night

Baby please, I can please you, I'm on my knees

All night, all night, we got all night, all night

Baby please, I can please you, I'm on my knees tonight,
tonight
