I love that look comes in your eyes when we're all alone

And it's much too late for friends to come calling, I
disconnect the phone

And I put on the radio, and I take her and I talk real low

And I hold her tight, and soon I'm dancing in the night

Inside Sylvia, oh Sylvia, yeah yeah Sylvia, I know my
love is alive

Inside Sylvia, yeah Sylvia, oh Sylvia, ah

Sometimes you get so crazy, I know it's all in your mind

And right in the middle of the night I see just what you
need

And they say that love is blind

And I hold you till the feelings come, but sometimes
when the loving's done

I see a scared little girl, afraid of the woman

Chorus:

Inside Sylvia, yeah Sylvia, oh Sylvia, I know my love is
alive

Inside Sylvia, yeah Sylvia, oh Sylvia, ah

(Solo)

Though the world can rage and storm

There's still one hollow where I'm safe and warm

It's when I'm inside Sylvia, yeah Sylvia, oh Sylvia, ah

Inside Sylvia, yeah Sylvia, oh Sylvia, ah

chorus repeats out
