It's driving me crazy!

Chorus:
It's driving me crazy -
I don't know where I stand, there's just too many people around
It's driving me crazy -
I just don't understand, I'm lookin', but I'm makin' no ground
It's driving me crazy

But I know that there's no need to worry, gonna get ya
Though they tell me there's no need to hurry, got to run me down

chorus

If you see me, you'd better start running, better run run
'Cos I'm tellin' you I'll be out guarding, gonna run you down

It's driving me crazy, it's driving me crazy

(Solo)

It's driving me crazy, it's driving me crazy, it's driving me crazy

chorus

It's driving me crazy, it's driving me crazy, it's driving me crazy!

Crazy, crazy... (repeats out)
