When you walked into the room looking like Jean
Harlow

Oh Jesse, everyone looked at you, you're a lady

Though I know that you've been 'round the world
maybe two or three times

In your daddy's pocket, I'm gonna break that rich-bitch
thing with you

Chorus:

Oh Jessica, you're a lady, if it takes all night you're
gonna be nice

Oh Jessica, I think lady, that cold hard front could melt
like ice

Jessica Jessica, Jessica Jessica, cold like a killer's eyes

Stay with me Jessica

You're a lady of the world, you've been to Paris and
London

But Jesse it doesn't mean a thing to you when you're
lonely

Though you'd have to have a heart of stone to put me
on my knees

I know you ain't got it, I'm gonna get to you no matter
what you do

chorus - stay with me Jessica

Jessica you're a lady, Jessica you're a lady, Jessica,
Jessica

Oh Jessica, you're a lady, take me home in your big

black car

Oh Jessica, I think lady, you're not as hard as they think
you are

Jessica Jessica, Jessica Jessica, fire up your cold heart

And stay with me Jessica, stay with me Jessica, stay
with me Jessica

Jessica you're a lady, Jessica you're a lady, Jessica,
Jessica
