Just one look, and I felt so all, all, all in love with you,
oho, oho

I found out just how good it feel-eel-eels to have your
love, oho, oho

Say you will, will be mi-i-ine forever and always, oho,
oho

Just one look, and I knew, ooh, ooh that you were my
only one - whoa oh

I thought I was dreaming, but I was wrong, yeah yeah

But I'm gonna keep on scheming till I can make you,
make you my own

So you see, I really care-are-are, without you I'm
nothing, oho, oho

Just one look, and I know-oh-oh I'll get you someday

That's all it took, yeah, just one look (repeats out)
