I was lost on a winding road, I thought that life had
nothing left to give

Then you came and showed me that just to live was the
greatest gift of all

Chorus:

And you showed me life is a celebration, and lord I'm
going to celebrate

Don't you know that life is a celebration

So come on now and celebrate, celebrate

Life is a celebration, look it's a revelation

So celebrate now, celebrate life yeah, celebrate now,
celebrate life yeah

Celebrate now, celebrate life yeah

How could I have been so blind just to think that we
were living to die

Then you came along and I was no longer alone, and
you led me to the light

chorus

(Solo)

chorus

Celebrate, celebrate, celebrate, celebrate, celebrate,
celebrate life
