I'm picking up my baby tonight

Though her daddy's makin' troubles it'll be alright

I'm working hard, I don't know why

I'm like a working class dog and I just get by

Chorus:

Tonite I'm crawling out from in it, and though we're
living on a brink

Second by second by minute by minute

Love is alright tonite, we're gonna be alright

Love is alright, love is alright tonite

Everyone's saying the sky's gonna fall

Don't know where it's gonna stop if it stops at all

I know the world's going crazy alright

I hope it holds together for one more night

chorus

Don't worry daddy, I'll have her home at a respectable
hour

Go to sleep, daddy, you won't think about tonight

With the night comes the feeling that I've got this
incredible power

Gonna love her, daddy, she'll be feeling it tonite,
alright

It's gonna be alright, it's gonna be alright, it's gonna be

alright

Love is alright tonite and baby, we're gonna be alright

Love is alright, love is alright tonite
