When we talk, it's a thriller baby, it's like walkin' on a
tight-rope line

When we spark, it's electric, baby, like a cracker from a
neon sign

What you're doin' baby, come on over tonight, yeah
yeah yeah

We'll have a joint, children, we'll be doin' doin' doin'
alright

Chorus:

Red hot & blue love, red hot & blue love

Whatever you're thinkin' of, you can do it, do it, do it

With red hot & blue love

Well I got it all planned on the other hand, if you like it
like that

When we touch, there's a shock, baby, like the static
from a pilon

When we love, I'm on a rocket, baby, runnin' up and
down your northerns

What you're doin' baby, come on over tonight, well well
well

We'll have a joint, children, we'll be doin' doin' doin'
alright

(that's right, that's right)

chorus

Well I take it when I want it and I really want it now

I'm talkin' 'bout red hot, I'm talkin' 'bout red hot

(Solo)

chorus

Well you know that I take it when I want it and I want it
tonight, tonight
