Ooh well I thought it out and if I'm thinking right
She's been working on the outer side
She's got me whisperin' in the night, Spanish eyes
Well you can call me superstitious, I don't mind
Strange feeling when her eyes meet mine
She's got me thinking 'bout her all the time, Spanish eyes
Oh she loves to do it, oh mama don't you say that
Not unless you mean it daughter
Chorus:
(I'm falling) I'm falling (falling down and)
Let me lie in your fields of ambrosia
(It's something) she's doin' (she's a witch yeah)
And I know darling you've got me hypnotized
...with your Spanish eyes
Believe I've got a feeling that I'll let her in
I don't care what traps she's tryin' to stay in
Dressed like a demon and she's out to sin, Spanish eyes
Now when I look in your eyes, it's the sweetest thing
But something tells me, if I let you in
I'll get hurt and it's gonna sting, Spanish eyes

Ooh you love to do it, oh mama don't you say these things

Not unless you mean it darling

chorus

Sparks flyin', wheels turnin', the devil scratching at the door

Heart poundin', head burnin', little sister, mi amore

Oh mi amore - oohoo, hmm mi amore

chorus - with your Spanish eyes

chorus repeats out
