Speak to the sky whenever things go wrong

And you'll know you're not talking to the air, to the air

And the world will look better from up there

Speak to the sky 'cos things can get you down

And you'll know when you're talking to the Lord, to the Lord

The world will look better than before

And if I stumble and it seems that I am blind

Or if the road I'm on seems awful hard to find

And though my conversation doesn't always rhyme

I always try to find some time - to

Speak to the sky and tell you how I feel

And you know sometimes what I say ain't right, it's alright

'Cos I speak to the sky every night

(Solo)

And if I stumble and it seems that I am blind

Or if the road I'm on seems awful hard to find

And though my conversation doesn't always rhyme

I always try to find some time - to

Speak to the sky and tell you how I feel

And you know sometimes what I say ain't right, it's

alright

'Cos I speak to the sky every night

Speak to the sky whenever things go wrong

And you'll know you're not talking to the air, to the air

And the world will look better from up there

And the world will look better from up there

And the world will look better from up there
