State of the Heart"

by Rick Sringfield

from Tao (c)1985 RCA

lyrics by Eric Mc Cusker

I know you name

I told you mine

we've stopped and passed the time of day

you work in town

i work at night

that gives us six until seven

to work this out

Chorus: If I seem a little strange

it's just the state of the heart

I'm waiting here for you

in the state I'm in

you are the moon

I am the sea

you pull me in and faze on down at me

i was alone

i thinkg i wa immune

it's good to know

the door can still be open wide

Chorus

it's just the state of the heart

i want in the dark

in the state I'm in

Chorus to end
