Surrender, surrender, surrender, surrender

The light of spirit burns in everyone, the diamond's
buried deep - surrender

When the heart is ready the teacher will come

nothing remains without change - surrender

The tao of heaven shines in every eye, the diamond's
buried deep - surrender

It's a gateless gate for those who never try

nothing remains without change - surrender

The light of spirit burns in everyone, the diamond's
buried deep - surrender

When the heart is ready the teacher will come

nothing remains without change - surrender

The tao of heaven shines in every eye, the diamond's
buried deep - surrender

It's a gateless gate for those who never try
