I wonder who she's seeing tonight

Is she really goin' out with him, he's not her type

And doin' all the things she used to do to me

Well, I'd say something to her, but I get so jealous

When I think of her lovin' somebody else

And I can't think why we ever let go, I must have been
crazy

Chorus:

Tell me what kind of fool am I to just let go, to just let
go like that

What kind of fool am I to lose you

She was cold sometimes, but she made me feel alive

She was such a spoiled baby, but baby, she could love

And she loved me like nobody ever will again

I thought we'd be together when the world went down

When the curtain fell and the lights came up

But the gods or whatever makes the world go around

Shuffled when they should have caught

chorus

Did it come too easy to the two of us

Did we go too wrong to ever make it right

Were we too busy checking out the left hand, that we

didn't see the right

And tell me what kind of fool am I to just let go, to just
let go like that

What kind of fool am I, oh baby please, oh baby, please
come back

I meant to say I'm tryin', maybe we could work it out,
but

I never meant to say goodbye

Tell me what kind of fool am I, what kind of fool am I

What kind of fool am I to lose you
