One, two, three, four...

Lalala lalala la la lalala Oh!
You know I never felt like this before
Lalala lalala la la lalala Oh!
Feels like so real

I'm obsessive when just one thought of you comes up
I'm aggressive just one thought of closing up
You got me stressing, incessantly pressing the issue
'Cause every moment gone you know I miss you
I'm the question and you're of course's the answer
Just hold me close, boy, cause I'm your tiny dancer
You make me shaken up, never mistaken
But I can't control myself, you got me calling out for help

S.O.S. please someone help me.
It's not healthy for me to feel this
Y.O.U. are making this hard,
I can't take it see, it don't feel right

Just your presence and I second guess my sanity
Yes it's a lesson, It's unfair, You stole my vanity
My tummy's up in knots so when I see you I get so hot
My Common sense is out the door, can't seem to find the lock
Take on me you know inside you feel it right
Take me on I put desire up in your arms tonight
I'm out with you, you got me head over heels
Boy, you keep me hanging on the way you make me feel

S.O.S. please someone help me
It's not healthy for me to feel this
Y.O.U. are making this hard
I can't take it see, it don't feel right

This time please someone come and rescue me
'Cause you on my mind, it's got me losing it
I'm stuck you got me lookin' for the rest of me

And love is testing me and now I'm losing it
Boy, you know you got me feeling open
And boy, your love's enough with words unspoken
I said boy, I'm telling you, you got me open
I don't know what to do it's true
I'm going crazy over you, I'm begging

S.O.S. please someone help me
It's not healthy for me to feel this
Y.O.U. are making this hard
I can't take it see, it don't feel right

S.O.S. please somebody help me
It's not healthy for me to feel this
Y.O.U. are making this hard
You got me tossin' and turnin' and can't sleep at night
