Yokubou wa kobamarete
Arekuruu netsu wo motsu
Suzushige ni soko ni ita kimi wa
Konya chigau pafyuumu

Honpou na hito dakara
Hoka ni otoko ga iru sa
Youji ga aru to satta doa
Hitotsu nagutta

Dare ni dakareteru no (motto chikaku ni)
Hitori de neteru sa (kokoro ga)
Nomikomareteku
Eta no shirenai yami e to

Soto wa rain rain rain kimi ga hoshikute
Crazy rain kimi ga inakute
Shoudou wo aoru ametsubu ga
Mado ni tsume wo tateru
Hitori pain pain pain mune ga itakute
Deeply pain korogemawaru yo
Nakushisou na ai hodo
Hito wo kowaseru kurai ni utsukushii

Soto wa rain rain rain kimi ga hoshikute
Crazy rain kimi ga inakute
Shoudou wo aoru ametsubu ga
Mado ni tsume wo tateru

Ai wa pain pain pain ichibyou goto ni
Deeply pain fukaku naru kara
Warui uwasa kurai ja
Tada no sabishii otoko ni mo narenai
