[Verse 1]

He was my first crush, the one I wanted so much
He made my heart sing, and eventually he was my
everything
But he had his sight set, on some other girl
And I had my hopes high, wishin I could be his world

[Chorus]

But I was, just a-nother girl to fall for him,
Just another heart broken
He di-dn't care, about what I felt or said,
He wanna see what he could get
I was, just a-nother girl to fall for him
Just another heart broken
Now I, know that, he's just another boy
My never never lover boy

[Verse 2]

Yeah, I saw the warning, but I wanted him I'd do
anything
But when, I saw it coming, you know I, started started
Runnin, a runnin, a runnin away, I gotta, I gotta, a get
away
A runnin, a runnin, a runnin away, sorry baby I can't,
sta-ay
Runnin, a runnin, a runnin away, I gotta, I gotta, a get
away
A runnin, a runnin, a runnin away, goodbye babay-ay

[Chorus]

So I turn around and what do I see
He's in love with a girl and the girl ain't me
I can't believe he woulda just used me
He lost his chance, and now he's gonna lose me

[Chorus]
