Break...[echo]  
I'm about to break (to break!)  
I need room to breathe... [x3]

I cannot take this anymore  
Saying everything i've said before  
All these words, they make no sense  
I found bliss in ignorance  
Less I hear, the less you say  
But you'll find that out anyway  
I find the answers aren't so clear  
Wish i could find a way to disappear  
All these thoughts, they make no sense  
I found bliss in ignorance  
Nothing seems to go away  
Over and over again [x6]  
Just like before...

Everything you say to me  
And I'm about to break!  
I need a little room to breathe  
I'm about to break!

Everything you say to me  
And I'm about to break!  
I need a little room to breathe  
And I'm about to break!  
Break! [echo]

These are the places where I can't feel  
Torn from my body, my flesh it heals  
During this night we can fall apart

Waiting alone I can not resist  
Feeling this hate I have never missed  
These are the memories  
The reason to rip off my.....face

fighting and roaring,  
and roaring

boring [12x]

Shut up when I'm talking to you! Shut up! Shut up! Shut up! Shut up!

Shut up when I'm talking to you! Shut up! Shut up! Shut up! Shut up!

Everything you say to me  
And I'm about to break  
I need a little room to breathe  
I'm about to break

Everything you say to me  
And I'm about to break  
I need a little room to breathe  
I'm about to break

Everything you say to me  
Takes me one step closer to the edge, and I'm about to break  
I need a little room to breathe  
Cause I'm one step closer to the edge, and I'm about to break
