Everybody's always talking at me
Everybody's tryin' to get in my head
I wanna listen to my own heart talking
I need to count on my self instead (Did you ever)
Lose yourself to get what you want? (Did you ever)
Get on a ride then wanna get off (Did you ever)
Push away the ones you should've held close
Did you ever let go, did you ever not know

I'm not gonna stop, that's who I am
I'll give it all I got, that is my plan
Will I find what I lost, you know you can
Bet on it, bet on it, bet on it, bet on it
I wanna make it right, that is the way
To turn my life around, today is the day
Am I the type of guy who means what I say
Bet on it, bet on it, bet on it, bet on it

How will I know if there's a path worth taking
Should I question every move I make
With all I've lost, my heart is breaking
I don't want to make the same mistakes (Did you ever)
Doubt you dream will come true (Did you ever)

Blame the world but never blame you (I will never)
Try to live a lie again
I don't wanna win this game if I can't play it my way

(chorus)

Oh, hold up
Give me room to think
Bring it on now
Gotta work on my swing
Gotta do my own thing
Oh, hold up

It's no good at all to see yourself
And not recognize your face
Out on my own
It's such a scary place

Oooh
The answers are all inside of me
All I got to do is believe

I'm not gonna stop
Not gonna stop 'til I get my shot
That's who I am, that is my plan
Will I end up on top again
Bet on it, bet on it, bet on it, bet on it
You can bet on it, bet on it, bet on it, bet on it

I wanna make it right, that is the way
To turn my life around, today is the day
Am I the type the guy who means what I say
Bet on it, bet on it, bet on it, bet on it
You can bet on me
