Yeah  
I got this feeling in my head  
Yeah  
You wanna say the things you said  
What's the reason?  
Don't even care if you leave  
Just wanna see you beaten  
Don't even care if you bleed  
Don't even need a reason

Hey  
Goodbye  
I wish you'd stay here  
I wish you were here  
Hey  
Goodbye  
I wish you'd stay here  
I wish you were here

Yeah  
I got this feeling in my veins  
Yeah  
A hopeless feeling mixed with pain  
What's the meaning?  
I just can't believe  
That you're not really with me  
I just can't believe  
I wonder if you're miss me

(chorus)

(guitar solo)

(chorus)
