I saved a place for you
I saved a place for all of you
I want to pull you on in
I want you guessing where the truth begins
Let's all fake happiness
We'll put on a good show
We'll lie through our teeth
I'll teach how to cheat

AMEN!

Yeah

It dosen't seem to matter
When it's all aimed at you
It dosen't seem to matter
When it's all aimed at you

I'll try to make amends
I'll try to mend all of you
I want to let you all in
I want to live where the truth will win
Let's all make happiness
We'll put on a good show
With blood in the streets!
We'll kill who tries to cheat

(chorus)

I want to let you all in
I want to live where the truth can win
It dosen't seem to matter
When it's all aimed at you
It's dosen't seem to matter
When it's all aimed at you

(spoken)
