Last call feeling tall  
I forget the last night  
Please come in down and sit  
This good for me no more

I'm starting to believe it  
The hardest thing's to see it  
Down in me honestly  
The hardest thing's to leave it

These temple walls will all fall  
While outside the world grows  
They call as I withdraw  
Now they know I'm hollow

(chorus)

THEY CALL AS I WITHDRAW!  
NOW THEY KNOW I'M HOLLOW!  
THEY CALL AS I WITHDRAW!  
NOW THEY KNOW I'M HOLLOW!!!

(chorus)
